By letter from our correspondent with Konkle's battery, dated at Louisville, Sept. 20th, we learn some facts regarding the Battery which will be of interest to the

friends of the members.

The Battery moved from Lebanon June tion on Monday the 15th, accompanied by the 60th and 68th Indiana, for Munfordsville, where they fought all day Tuesday, and were surrendered Tuesday evening. perly be termed Felting Wools, alth-Philip H. Young was the only member wounded. He was struck on the face with a piece of shell. Captain Konkle and Lieucaptured, Lieutemania Newell and Porter being absent. The officers and men were be surprised at the high price such grades

on Junction in charge of the camp, On hearing of the surrender at Munfordsville, General Dumont ordered him to proceed to dina county, exhibited Cassimere Wool of superior condition and merit. Four days attendance in the Wool Department of your battery, viz: battery and forage wagons, exhibition has fully satisfied me of the im three miles of Louisville, Wednesday evecars, throwing off the battery and forge must be necessary for growers to encoun stance. object in growing the particular style of wool most required. They understand fully the varieties of Saxony, Silesian, Leicester, Southdown, Sc., and seem to quarters of the 103d. Yesterday the re- deem it strictly necessary to procure and pert of a cavalry skirmish boyond Flor- preserve what they term full blood, whilst ence, some eight or ten miles distant, sent at the particular as into the trenches until 10:30, when we purposes, and make the cross with spec again returned to camp. It is now said reference to Felting, Delaine, Cassimere, the enemy are again on the retreat, and that only scouting parties of the rebels ation and wealth would be derived for both grower and manufacturer. are near us. This morning we are ordered to march with three days' rations, and are | to individual growers, but fear that many now momentarily expecting the command | years will have passed unless your State "Fall int" Whither we go is only known commenced. Growers have gathered some at headquarters, but we feel certain that though limited information from comparthe movement is not a retrograde one. I ling their samples now on exhibition. just saw a wagon loaded with thirty-three thousand rounds of ammunition, and our cartridge boxes contain forty rounds to ly med for Felting Goods, they discover the man. This locks like fight, and, without boass, we sincurely hope the indications of boass, we sincurely hope the indications of the used for Delaine, and so with the delay a healthy and peculiar class of wool can be used for Delaine, and so with the adquarters Army or the Potonac, Monday Evening.

rebels, and feel that it is high time we were showing to the world that we are style for warps, whilst the indifferent broad wool may be used for the filling, and there must ultimately be a very wide wargin in the price of wool grown with a region in the region in the

the White Saidiers.
The Hilton Head correspondent of the New York Post says of the relations exist-ing between the white and black soldiers telligent growers and breeders of this in the department recently under General country, and through the influence of the New York Post says of the relations existin the department recently under General

General Hunter's plan there was one great length this has grown, I will waive further obstacle which had not been taken into acnotice. count. I refer to the disposition evinced of this army. Here we have something as Tobacco for Sheep Wash, manufactured by that should fill us with the despest shame ral was somewhat too emphatic in his patronage of the negroes, or whether it be that the Northern soul, as here representon this subject, certain it is that the Genvilest and meanest exhibitions of human depravity that it has ever been my lot to witness. Many, very many of the soldiers, and not a few of the officers, have habitually treated the negroes with the coarses and most brutal insolence and inhumani ty; never speaking to them or of them but to curse and revile them, to say all manner of evil of them and to threaten and impreand again have I been made thoroughly heart-sick at hearing the unmeasured ribaldry, profanity and indiguity which have thus been spewed, as if from the gorge of hell itself, upon these unoffendlug, much suffering people. God help them! for I fear there is no mercy nor jus-tice for them in the white man. And Genthem, has but purchased for them ten-fold. diers of his command. Every act of kindness in their behalf seems to be resented by these savages of the army as an intolerable affront to themselves. And, as the negro stands helpless and defenceless be-

A private letter from Mr. Chas. Wright, a the gunboat Benton, to his sister in Rochester, N. Y., gives an amusing secount of an interview with a lumberman, up the Yazoo river, who had never heard of the troubles about secession, and received his him before this time. If he had had them first intimation that war was raging from our forces on the gunboat. He had been in the gam swamps for four years; during a large portion of the time he had not seen.

In the power have entered Kentucky, and our gallant leader would now have had possession of East Tennessee.

But like a true soldier, he makes no coma single human being. When he met our gunboats and heard of the war he was much astonished, as may well be supposed. He was on his way, at the time, to Vicks-burg, to secure a market for his lumber.

But the strue somer, he has been ordered to upplaints; and as he has been ordered to upplaints; and strue something to the stars and star

Cleveland Morning Leader.

VOL. XVI.

CLEVELAND, WEDNESDAY MORNING, SEPTEMBER 24, 1862.

JOHN H. KEIPPART, SECRETARY STATE BOARD OF AGRICULTURE:

Siz:-The Awarding Committee on Wool, Ansel Roberts, Esq., of Cleveland, Chairman, state in their report, "The show of wool, though not as large as was expected, was fair, considering that most of the wool is now out of the hands of the A Reconnoitering Party Capture growers. The show of Delaine wool is very fine, exceeding in quality and desirableness that of any previous fair. The OURLOSS IN SUMNER'S CORPS Committee called especial attention to the Saxony wool belonging to Mr. Hisey, of Columbiana, Ohio. They also recommend as worthy of attention the Cashmere wool exhibited by the Granville Cashmere goatbreeders, for its fineness and beauty." It may not be improper for me to state that of shippers, until the duties of the Committee had ceased, although the examination was postponed one day that each lot might be examined. One of these clips Smithfield, Jefferson county, Ohio. The

clip is undoubtedly styled Silesian by the ment from the Saxony, for the reason that officers, delivered at Aiken's Landing it has the peculiar soft and desirable quality of the latter, with an additional weight of fleece, which was in very superior condition, combining every feature and quality which must render value to the manu-facturer of Broadcloths, which should promany of the fleeces possessed decided merit to the manufacturer of Dieskins and Cas simeres. Committees composed of such manufacturers would have recommended tenant H. C. Lloyd were the only officers the clip in the highest terms, and when any captured. Lieutenants Newell and Porter considerable quantity could be obtained by many of our manufacturers, growers would

paraled, and were expected at Louisville would bring compared to more indifferent wools, and had the clip under consideration passed through the hands of the Committee, no doubt can be entertained but it would have been appreciated.

H. Wurner and Lucius Warner, of Me-

twenty-nine men, twenty-two horses, and portance of adding this feature to your exall the camp equippage. He was within hibition, and furnish a medium by which growers and manufacturers may compare ning, when an axie broke on one of the To secure to yourself the full benefits, it wagons, and injuring fifteen out of twen-ty nine men. Lieutenant Pritchard was ufacturers, and when one thousand differhurt about the hip and shoulders, but not ent clips (truly a small number for Ohio) dangerously, he having fortunately fullen are exhibited, and manufacturers receive into a ditch, and not upon any solid sub- notice to this effect one week before the time, there will be no want of bovers who would appreciate sufficiently to be in

are not deceptive. We have long enough If proficiency in the art of manufactur. been pent up by a few thousand shabby ing is desired, it is necessary to make se-

> grow into an immonse business in this somewhat reduced by stragglers return-country. There are at this time only three mills, consuming about 6,000,000 pounds a year, whilst that of Cassimere and Doe-Maryland, left between 1,100 and 1,200 skins has grown into a business almost de-fying competition from Europe. While River. They are being paroled. Twentycreated, there should be a corresponding battle of Antietan, and have been received State Board much may be accomplished. It had been my purpose to speak more fully of other lots exhibited; in view of the

owards the poor negroes by the soldiers | ited in the Wool Hall, called "Extract of the Southdown Company, Boston." Grow-ers who have examined it speak in favorahle terms of its use to shepherds, as a pre-ventive to flies and sheep ticks. The public sale was postponed the last day of the Fair, on account of the few manufacturers in attendance.
Should the exhibition have a tendency

to awaken further interest, with ultimate success, I shall have accomplished my purpose in recommending it to your attention.

Respectfully yours,

S. GOODALE.

A young girl in Newport, Kentucky, when the federal soldiers were passing her residence, took her position in the streets, and gave them water, biscuit, &c. A secessingist woman seeing her so employed, eame out and decided her, saying that nobody would be seen in the streets, and that she would like to see the "Lincoln rag" trampled in the dust. At this last remark in allusion to the flag, the girl turned upon the ferocious woman, struck her upon the We found 261 of their dead upon the field, mouth, tore her "Nubia" from her s 1 while our loss in killed will be less than ders, and destroyed her silk dress. Sha was arrested, and told the magistrat? boldly what she did, adding, "I will do i again, toe." He replied that she had done just right, and dismissed her. He then fold the complainant to go home and mind dies when they were relieving the wants of Union soldiers. This did not occur most mean and cowardly way of venting the "first families" of Newport. among the rabble, for both ladies are among
